Race Leys
Junior School

13th January 2023

Dear Griffin Families,

Installation of new security gates

As you are aware, ensuring the safety of our griffins remains our highest priority. In order to further improve this, we will be having electric gates fitted at our front entrance. Work will begin on Monday and this should be completed by the end of next week.

Our pedestrian gate entrance will be open during drop off and collection times but will be locked at all other times. In order to access the school site, there will be an intercom system where you can contact our school office, who will unlock the gates.

Please bear with us whilst the work is being carried out next week and thank you for your continued support.

Kindest regards,

Sue-Ellen Lamb

Head of School
